Description:

Fancy Red Glow Drops have specially been developed as a cooperation product. The two active ingredients are AstaCos® OL50 and MYRAMAZE®-ESSENCE.

AstaCos® OL50 delivers proven anti-ageing properties and strengthens the biological cell protection. Combined with MYRAMAZE®-ESSENCE, the product delivers a multisensory firework for youthful skin. The natural power of the resurrection plant awakens the skin and mood.

The formulation is particularly suitable as pre-care and supports the regeneration of the facial skin. Positive vibes and a radiant appearance are guaranteed.
